Allez
découvrir
le monde!

Au
revoir!

mon grand regarde
au fond du chemin
ce sont les trois petits
loups

voulez-vous bien nous
donner quelques briques?

Mais bien sûr mes petits loups

Il faut se dépêcher

we rentrons!

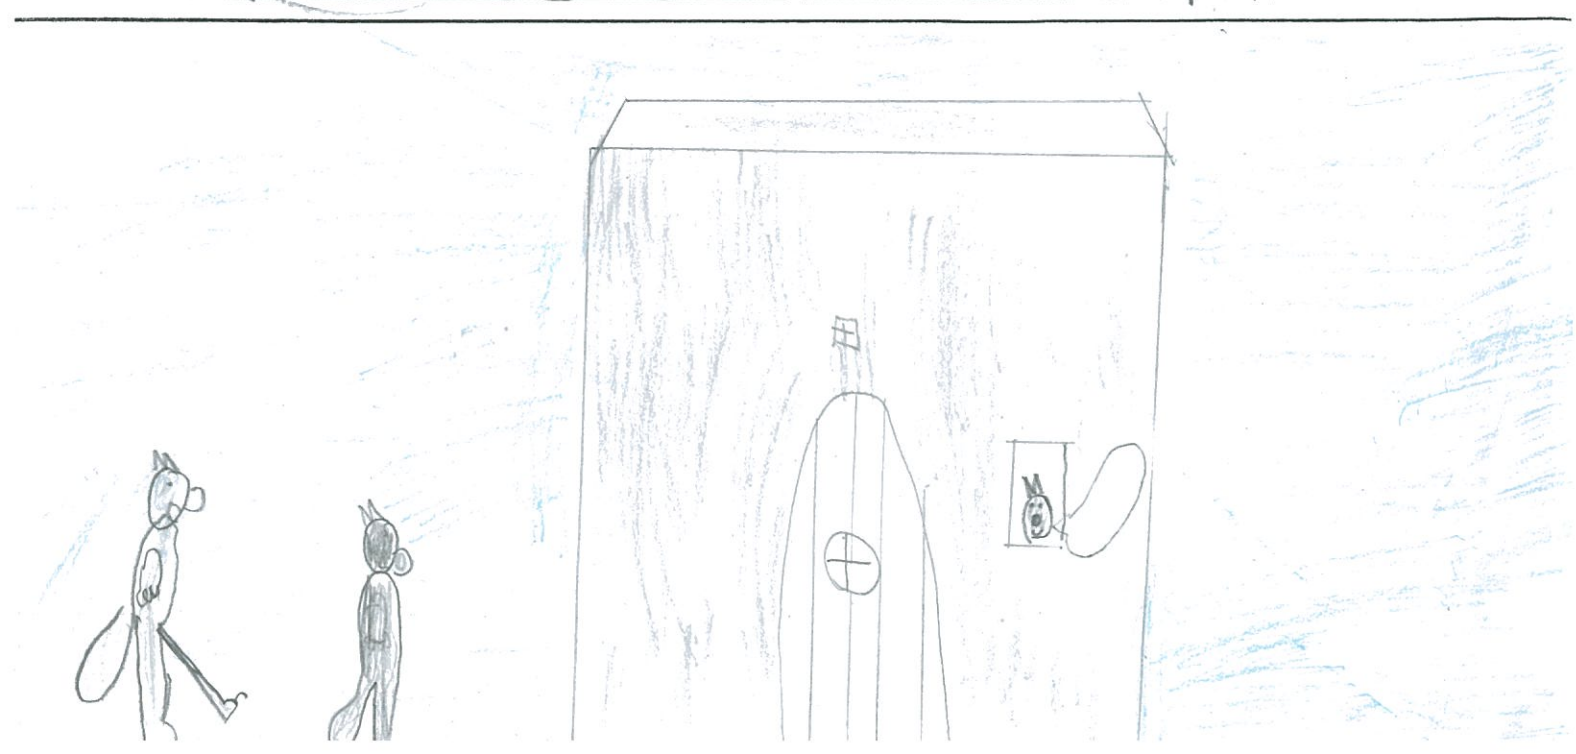

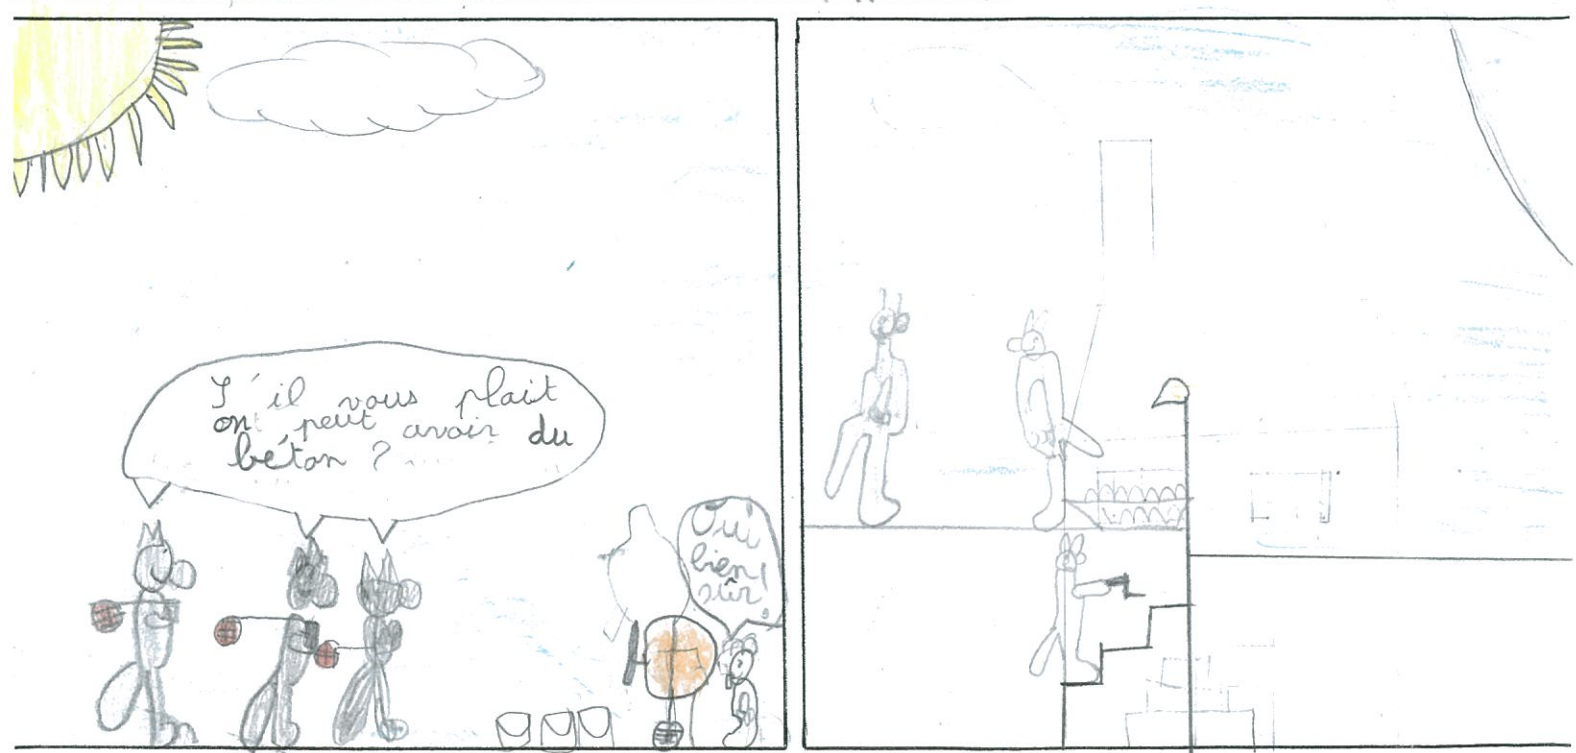

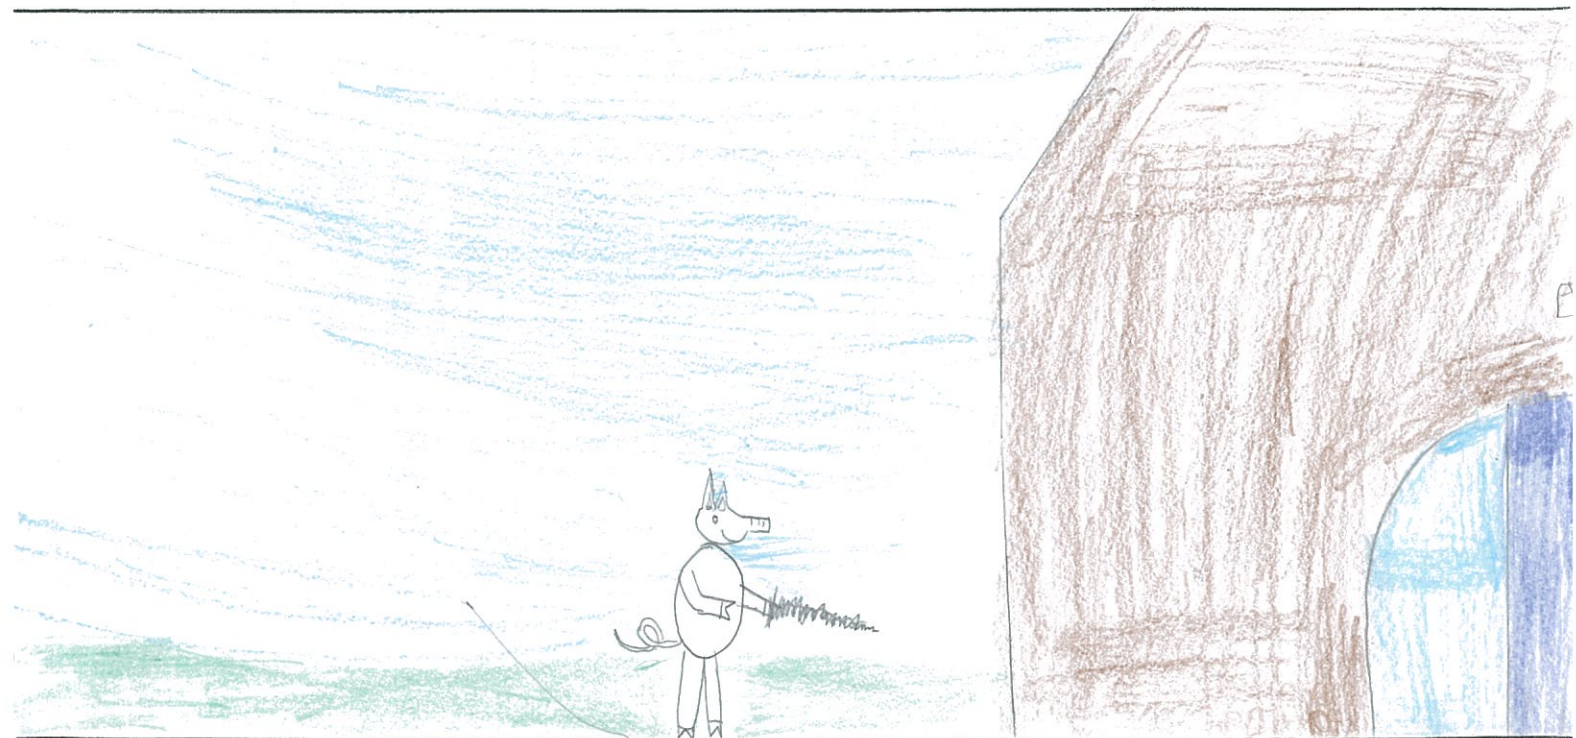

je vais souffler, pouffer
mille baffées et je
demolrai votre maison

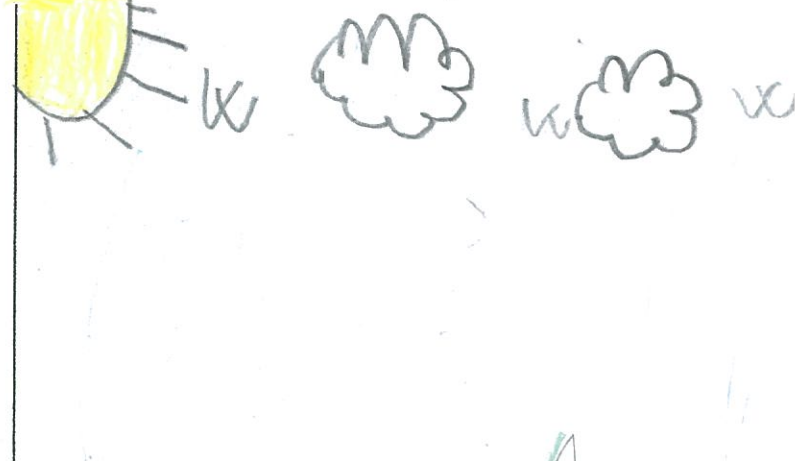

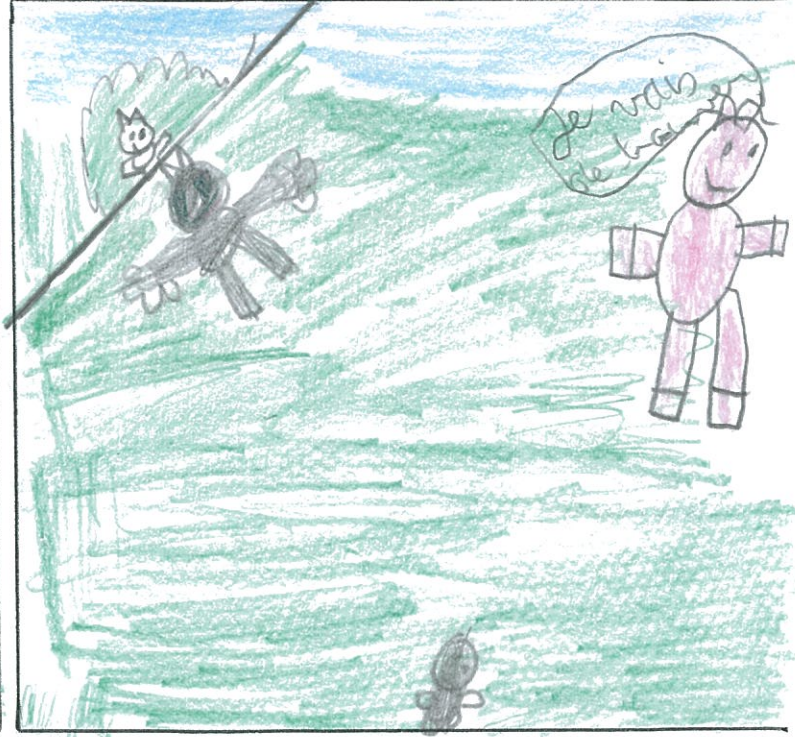

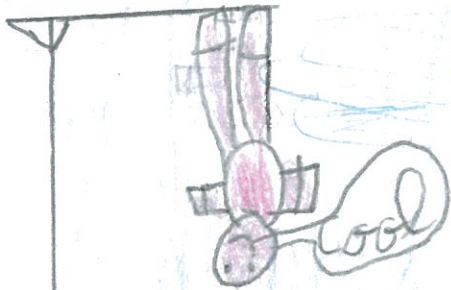

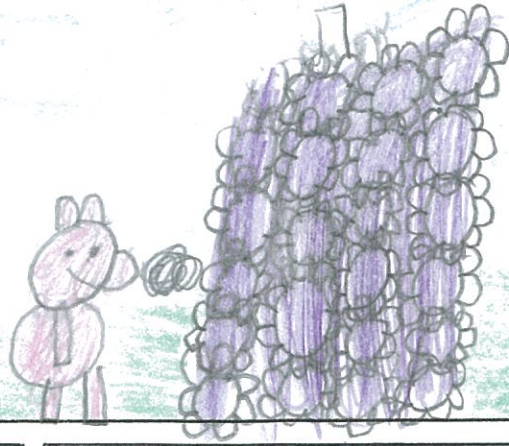

je vais
chercher
ma
mairie

Tu veux
un peu
de notre
thé de Chine?
